Meeting minutes from 2024-04-08 were not available, Joe will create and send to group prior to next meeting.

Sam talked about an upcoming webinar NH. Salt Marsh Migration scheduled for June 11th. The committee should consider Salt Marsh Migration for future agenda items. Dale has signed up to attend. Sam will give the group an update at the next meeting.

There was discussion about a floating walkway to give access to Heroin Point. Joe had supplied the group with news article from Marlboro Massachusetts related to a floating walkway. The group thought it was an interesting concept but probably a low priority.

Sam would like to talk with the school to see if we can get high school students involved in the up coming charrette.

There was discussion about the Master Plan Survey that Sam had passed out, specifically question 7 related to "What would you like to see in the downtown riverfront area". Sam would like to reword to "List one thing you would like to see in the downtown riverfront area".

There was discussion about salt use on town roads affecting stormwater runoff.

Sam updated the group on the ongoing Moonlight Brook bacteria sampling. Lyndsay to get the latest information on status and results of upstream testing.

There was discussion about property ownership. Sam stated this will be important for any future work. Lyndsay stated there hasn't been any significant progress. Sam, Lyndsay and Bart to address before October charrette.

There was discussion about signage near the Bryant Rock public riverfront access area. This is related to knowing what easements do exist.

Dale suggested it would be better if we can have understanding of easements for our August meeting, before the October charrette.

Next Meeting August 19, 2024. 4PM
