1. Pledge of Allegiance

2. Regular Business

[time on DCAT 06:52]

a. Visioning Workshop with Strafford Regional Planning Commission:

Bart introduced the visioning presentation, and that it will be a broad discussion. They will review the results of the visioning session and of the survey.

Kyle thanked the subcommittee for having him, and begun by explaining that as far as funding for the Master Plan, there is town funding, grant from DES, and from the InvestNH grant. Tonight's interactive presentation will follow the following format: facilitator poses the question; participants respond; facilitator gathers and reads responses; guides further discussion. Questions discussed by subcommittee and audience members at length were: what are five words to describe Newmarket in the next 10 years, in an aspirational sense; what makes Newmarket a destination; how and where walkability can be improved in other parts of town to link to downtown; what do you see having an impact on the future of Newmarket's demographics; what are the top themes to guide the town's future; and opening it up to any general comments on other Master Plan chapters.

3. Other Business

None

4. Adjourn

[time on DCAT 1:42:55]

Meeting adjourned at 7:07 PM with board consensus all in favor.
